WINDSTORM OR HAIL DEDUCTIBLES – PERCENTAGE SUBJECT TO A MINIMUM DOLLAR AMOUNT

This endorsement modifies insurance provided under the following:

SELF-STORAGE OWNERS BUSINESSOWNERS COVERAGE FORM

SCHEDULE*

Windstorm Or Hail Deductibles		
Location No.	Deductible Percentage (Enter 1%, 2% Or 5%)	Minimum Dollar Amount

The following provisions apply to **SECTION I – SPECIAL PROPERTY COVERAGE FORM**:

The Windstorm Or Hail Deductible, as shown in the **SCHEDULE**, applies to loss or damage to Covered Property caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage. If loss or damage from a covered weather condition other than Windstorm or Hail occurs, and that loss or damage would not have occurred but for Windstorm or Hail, such loss or damage shall be considered to be caused by Windstorm or Hail and therefore part of a Windstorm or Hail occurrence.

With respect to Covered Property at a location identified in the **SCHEDULE**, no other deductible applies to Windstorm or Hail.

The Windstorm Or Hail Deductible applies whenever there is an occurrence of Windstorm or Hail.

WINDSTORM OR HAIL DEDUCTIBLE CLAUSE

A. Specific Insurance

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% of the Limit(s) of Insurance applicable to the property that has sustained loss or damage, subject to any minimum dollar amount (as shown in the Schedule).

This Deductible is calculated separately for, and applies separately to:

1. Each building, if two or more buildings sustain loss or damage;
2. The building and to personal property in that building, if both sustain loss or damage;
3. Personal property at each building, if personal property at two or more buildings sustains loss or damage;
4. Personal property in the open.

B. Blanket Insurance

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2% or 5% of the value(s) of the property that has sustained loss or damage, subject to any minimum dollar amount (as shown in the Schedule). The value(s) to be used are those shown in the most recent Statement of Values on file with us.

This Deductible is calculated separately for, and applies separately to:

1. Each building, if two or more buildings sustain loss or damage;
2. The building and to personal property in that building, if both sustain loss or damage;
3. Personal property at each building, if personal property at two or more buildings sustains loss or damage;
4. Personal property in the open.

C. All Policies

We will not pay for loss or damage until the amount of loss or damage exceeds the Deductible. We will then pay the amount of loss or damage in excess of the Deductible, up to the applicable Limit(s) of Insurance.

When property is covered under the Coverage Extension for Newly Acquired Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at the time of loss. The applicable percentage for Newly Acquired Property is the highest percentage shown in the Schedule for any described premises.

EXAMPLES – APPLICATION OF DEDUCTIBLE:

Example # 1 - Specific Insurance

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (business personal property in building).

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the business personal property.

The Deductible is 2%, subject to a minimum of \$1,000.

Building

Step (1): $\$80,000 \times 2\% = \$1,600$

Minimum dollar amount does not apply

Step (2): $\$60,000 - \$1,600 = \$58,400$

Business Personal Property

Step (1): $\$64,000 \times 2\% = \$1,280$

Minimum dollar amount does not apply

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120 (\$58,400 + \$38,720). The portion of the total loss that is not covered due to the application of the Deductible is \$2,880 (\$1,600 + \$1,280).

Example # 2 - Blanket Insurance

The sum of the values of Building #1 (\$50,000), Building #2 (\$50,000) and Building #3 (\$100,000), as shown in the most recent Statement of Values on file with us, is \$200,000.

Buildings #1 and #2 have sustained damage; the amounts of loss to these buildings are \$4,000 (Building #1) and \$2,000 (Building #2).

The deductible is 2%, subject to a minimum of \$1,000.

Building #1

Step (1): $\$50,000 \times 2\% = \$1,000$ Minimum dollar amount does not apply

Step (2): $\$4,000 - \$1,000 = \$3,000$

Building #2

Step (1) $\$50,000 \times 2\% = \$1,000$

Minimum dollar amount does not apply

Step (2) $\$2,000 - \$1,000 = \$1,000$

The most we will pay is \$4,000. That portion of the loss not covered due to application of the Deductible is \$2,000.

All other terms and conditions remain unchanged.
